Old Business

Regarding the new rule about kids that are in the canteen are not to use the deep fryer or the BBQ and are only to be in there with adult supervision Jason Billing suggested the we paint a yellow line around the area that we don't the kids. All in favour Jason will be doing this himself when he gets a chance.

The club has purchased a bobcat and it should be ready to be picked up on Friday. As soon as it's ready Grant Clancy has offered to cart it down to the track.

New Business

Elly will be looking into when she will have another DT titles meeting.

The next Stadium MX meeting we be on the 13th of October at the clubhouse/canteen starting at 6pm.

We all talked about the different ways of getting people to flag. Such as charging a levy or changing the race order. It was passed that next round we will have a separate sign on window for everyone to sign on our flag sheet. After you sign up as a flaggie you will then be given a token which you can give to the ladies at sign on.

It was discussed that we might need to change our classes in DT and MX next year so they line up with the MOMS.

It was put forward that next year on DT can the Demos do 5 rounds. Passed.

We had a Discussion on putting the prices for rec days up. As we have only just put them up they will not be changing at the moment. At the start of next year we will be reviewing the prices.

Guardianship forms must be signed and completed before you hand them in. Your guardian must be over 18 years of age and be there for the duration of the meeting. Whether it be a race day or a rec day this is a very important form and if you do not have one you will not be allowed to ride.

Either the club President or the Vice President needs to have words with the caretaker as he isn't doing the jobs required of him.

Phil Crough suggested that in DT we change the pre 85 class to a pre 90's Class. Passed

Amy gave us Grant's treasurer's report

After our double header MX we will need to get number 4 flag point moved so we can comply with our track licensing.

Neal Bates from the Australian Toyota Rally team wants to use the DT for training on the 11th of November. As our insurance won't cover this, this is inadmissible.

I received an email from Shane Booth regarding them putting a feature about our club in Dirt Action. I've forwarded this onto Phil Crough and he will be following this up.

Our next meeting will be our AGM. Both our Club President and our Vice President will be stepping down. It's now that people need to be putting up their hands to take on roles. There are plenty of roles that need to be filled.

Meeting Closed at 8:50pm

Next meeting will be on Wednesday the 5th of November at 6:30pm at the club house
